

## ***XCARET BASIC TOUR & FULL DAY***

Xcaret is an ecological park with an underground river made up of underwater caves – very much resembling an underground maze which you can actually swim through. Xcaret invites you to uncover ancestral traditions and nature's wonders which make it one of the most unique parks in the world.

It has over 33 activities including: the underwater river, 6 meters underground and 460 meters long, swimming and snorkeling is the way to go. Home to a butterfly, turtle breeding and dolphin's sanctuary, with a reef species aquarium, and a wonderful traditional Mexican cemetery with its 365 incomparable tombstones.

The night show "México Espectacular" is without a doubt the best you've ever seen in your life since it turns into the most amazing scenery of the most incredible Mexican show, that along with its 300 stage artist will leave you assured that Mexico gathers the biggest, the most colorful, wonderful and varied culture in the world.
